## ABOUT ME

---

A highly motivated and enthusiastic Civil and Environmental Engineering undergraduate with a strong academic record. Seeking an entry-level position to apply my skills and knowledge in a challenging and rewarding environment. I am eager to learn, contribute to a team, and make a positive impact.

## EXPERIENCE

---

**Member, Undergraduate Association Akkaraipattu** 2022 – Present

**Akkaraipattu, Sri Lanka**

- ✓ Organized and participated in various events, contributing to a vibrant and inclusive campus community.
- ✓ Assisted with outreach initiatives, promoting the association's goals and activities.
- ✓ Collaborated with fellow members to plan and execute successful programs.

**Member, BHOSA (Baithul Hikma Old Student Association)** 2022 – Present

**Akkaraipattu, Sri Lanka**

- ✓ Participated in alumni events and activities, fostering connections with former students.
- ✓ Supported the association's mission to connect with and support its members.

## TECHNICAL SKILLS

---

- **AutoCAD**: Proficient in 2D and 3D design and drafting, creating technical drawings and plans.
- **Revit**: Experience with building information modeling (BIM) software for creating detailed architectural and engineering models.
- **Civil 3D**: Knowledge of 3D modeling and analysis software for civil engineering projects.
- **Microsoft Word, Excel, PowerPoint**: Proficient in creating documents, spreadsheets, and presentations for various purposes.

## COMPUTER SKILLS

---

- **Microsoft Office Suite**: Proficient in Word, Excel, PowerPoint, and other applications for document creation, data management, and presentations.

## EDUCATION

---

**B.Sc Engineering (Hons) in Civil and Environmental Engineering (Reading)** 2022 – Present

**University of Ruhuna, Galle, Sri Lanka**

- ✓ **GPA**: 3.76/4.00 (2 Semesters)
- ✓ **Related coursework**: Structural Analysis, Fluid Mechanics, Environmental Engineering, Geotechnical Engineering, Surveying

**GCE Advanced Level** 2020

**Akkaraipattu Muslim Centra College, Akkaraipattu, Sri Lanka**

- ✓ **Subjects**: Mathematics, Physics, Chemistry
- ✓ **Grades**: 2 A's, 1 B

## **CERTIFICATIONS AWARDS**

---

- ✓ Participated in School Science Program conducted by National Institute of Fundamental Studies (2017)
- ✓ Participated in Leadership training Program conducted by Sri Lanka Unites (2021)
- ✓ Participated in online workshop on Meeting climate change and Sustainable Development through Green technologies organized by Green building council of Sri Lanka

## **LANGUAGES**

---

- **Tamil:** Native
- **English:** Fluent
- **Sinhala:** Basic

## **PROFESSIONAL QUALIFICATION**

---

- ✓ Team work
- ✓ Time management
- ✓ Analytical skills
- ✓ Leadership qualities
